

RANGER 2

PRO POOL SIDE

U.S. Patent Nos. 7,249,386 B2 & D507,769 S

ITEM # F - R N G R 2

ABOUT:

Perfect for smaller pool facilities and backyard pools, our #1 selling Ranger 2 features a sleek design, and offers effortless independent operation for the user. This non-rotating lift glides you to your destination in a single out-and-down motion. Thoughtfully built with stainless steel durability and seamless application, the Ranger 2 brings you the dependability and security you can expect from all Aqua Creek products without the bulk associated with other lifts. With its smaller footprint and field reversible design, the Ranger 2 is an easy solution to your pool access needs. Complete with flip-up armrests and the best warranty in the industry, you have the freedom to customize your lift with a number of color and accessory options.
