

The 4000 curved stairlift

Safe, reliable and easy to use.

Custom-made to fit perfectly in your home for a neat finish, thanks to our advanced digital staircase measurement system. Easy to use and keep clean, as well as to maintain and service. Smooth ride, strength and stability thanks to state-of-the-art twin-rail design technology.

Perfect for compact stairs and hallways, and even spiral staircases.

Handicare is proud to have achieved ISO certifications for quality, environment and health and safety. We are committed to providing stairlifts which are easy to use, reliable, comfortable and which meet the highest possible quality and safety standards. All new Handicare stairlifts are delivered with a comprehensive manufacturer's warranty and are independently tested and approved by Europe's leading certification organisation including Liftinstituut.
